## EDUCATION

**Dr. D. Y. Patil ACS College, Pimpri, Pune**

Bachelor of Science in Computer Science  
CGPA 8.23,

June 2023

**Shri Mhalsakant Junior College, Akurdi, Pune**

Higher Secondary Certificate (HSC) Science  
Percentage 58,

April 2020

## TECHNICAL SKILLS

**Programming Languages:** Java, C

**Version Control:** Git and GitHub

**Frontend Frameworks:** Angular, React.js, Bootstrap

**Backend Technologies:** Hibernate, Spring Boot, REST API

**Databases:** SQL, MySQL

## PROJECTS

**Google Gemini Clone | [Link](#)**

- Replicated core functionalities of the Google Gemini Platform using React.js as the frontend framework and Gemini API for backend interactions.
- Achieved real-time data synchronization, enhancing user experience with responsive design and efficient state management.

**Car Selling Website | [Link](#)**

- Developed a local car-selling platform using Angular and Spring Boot, implementing REST APIs for seamless frontend-backend communication.
- Designed a user-friendly interface for browsing, searching, and purchasing cars, integrating payment processing and user reviews.

**Real Time Chat Application | [Link](#)**

- Architected and developed a full-stack real-time chat application using React.js, Vite, and Firebase.
- Implemented robust features including secure user authentication, dynamic profile management, real-time messaging, and image sharing.
- Optimized application for high performance and scalability, ensuring a seamless user experience and efficient data handling.

## EXPERIENCE

**OctaNet Service PVT. LTD.**

Jan 2024 – Feb 2024

Web Development Intern

- Demonstrated dedication and willingness to learn through hands-on experience with web development tasks.
- Actively engaged in project development, showcasing skills in HTML, CSS, and JavaScript while applying best practices in web design.

**Bharat Intern**

Feb 2024 – Mar 2024

Web Development Intern

- Gained practical experience in web development by working with HTML, CSS, and JavaScript on various projects.
- Immersed in the fundamentals of web application development, contributing to code quality and efficiency.

## CERTIFICATIONS
